

Position: Monitoring, Evaluation, Accountability and Learning (MEAL) Officer

Location: Tehran, Iran (with travel to areas within Iran where RI operates when requested by supervisors)

Duration: 1 year (with 3 months probation)

Reports to: MEAL Coordinator

About RI: Relief International (RI) is a leading nonprofit organization working in 20 countries to relieve poverty, ensure well-being and advance dignity. We specialize in fragile settings, responding to natural disasters, humanitarian crises and chronic poverty.

Relief International combines humanitarian and development approaches to provide immediate services while laying the groundwork for long-term impact. Our signature approach - which we call the RI Way - emphasizes local participation, integration of services, strategic partnerships, and a focus on civic skills. In this way, we empower communities to find, design and implement the solutions that work best for them.

RI believes that gender equality is a basic right for all people, and it is critical to directly address gender-based discrimination and promote gender equality in order to ensure sustainable development.

RI in Iran: Relief International has been active in Iran since 1989. The Iran programme focuses on providing and improving access to health, education and livelihoods to Afghan refugees – with protection effectively mainstreamed across our activities. Relief International is also a major actor in disaster response in Iran and is currently implementing a large scale COVID-19 response. RI supports capacity building of national Civil Society Organizations (CSOs) as well as coordination and advocacy with other INGO, UN agencies and Governmental partners to improve the overall humanitarian and development response.
