APPENDIX A: Evaluation Criteria

Technical Evaluation criteria scores:

Following the closure of RFP, proposals received will be assessed first on its technical merits (including by reference to legal requirements) and subsequently on its price. The proposals will be evaluated against the following elements:

Technical Proposal

The total obtainable points allocated for the technical component is 70 with 48 points as the passing score for evaluation. Only bidders that obtain 48 points and above from the technical evaluation will be considered for the next stage of commercial evaluation.
